

Travel guide to European Countries: Austria

Austria is located in the central Europe. The main fact of the country is that it celebrates the world's finest music festivals. One of the best examples of it is Salzburg festival, international chamber music, Haydn festival etc. These festival usually held in the central capital of Europe. After the innovation and hardship, the art and music becomes an integral part of the Austria. Apart from all these, horse dance is also very popular in Austria. The winter season is the best option to visit Austria, because at that time you can enjoy all these festivals. The summer is considered as moderate level in the Austria. The people of Austria face the regular rain also. View of site- There are many costal sites you can find there, and if you are ready to pay some tip to the taxi driver then they will easily gives you the ideas related to the beautiful sites. Culture of Austria- the local people usually talk in 4 types of languages like Slovene, German, Hungarian and Croatian. Most of the people usually shake hand to greet other people. Most of the individual when they meet others will just refer those people by last name and also they call by their first name. The basic word they used to greet other people is by saying popular word as Gruss gott and at the leaving time they will say Auf wiedersehen. Many of the people like to carry flowers while visiting other house. The horse riding performance is very popular and many of the peoples like to enjoy this. The local people are really like to indulge in the horse riding game. In Austria the world's best horse riding performance can be seen here and many of the individuals like to booked the ticket earlier itself. The old horsemanship can be traced back to 400 years back. To attain this horse performance, people usually booked the ticket earlier and they were ready to pay and at that time the fans of horse riding have to pay some sort of tax also. Travel description- There are some types of airlines which work with the collaboration of other airlines such as Austrian airlines group. It is the best way to reach Austria through airline. You can find the international airport, which operate in Austria. The nearest airport from the actual city is the Vienna airport. It is around 18 km far away from the central city. The bus transport facility is also available and you can also reach the city by train too. There is some convenient facility available like tax free shops, bank, post office, information regarding tourism etc. Another airport which is near by the city is Salzburg airport, which is around 4 km away from the main city and the people can easily reach the airport by buses, taxi etc. At the airport, the basics duty free facility are available such as free currency exchange shops, post office, conference hall, left luggage, car hire, restaurants and many more. Some other airport also charges a fixes amount of money to the passengers. The road transport facility is also available at a greater extent and through private car also you can enjoy good journey. If you are traveling by car then you should cross the channel tunnel, for that you have to booked in an advance. If you are going by your own car then you must carry all the required documents with you such as legal license. You also have to carry the registration document of your cars while driving. You have to follow all the traffic rules strictly and if you are driving a bike then you have to wear helmet as it is a compulsory rule to follow. Many of the private companies also provide the bus facility to the individuals for their convenience sake. There are also cruise services available and the popular cruise services are offered by Kock and Wurm. Apart from this some ferry services are also available: The items which are duty free are as follows:

- 1. Tobacco 250 gm
- 2. Cigarettes 200
- 3. Cigars 50
- 4. Tea extracts 40 gm

These goods which are mentioned above can be carried out the person who is below 17 years of age.
